

Forty Years of Volunteerism at the BCC

Forty years ago a group of volunteers took the plunge and decided that Buckhorn needed a Community Centre so that residents could have a place to celebrate special occasions and socialize.

Here we are in 2017 celebrating all the volunteers that keep the BCC a vibrant and buzzy place to play, gather and party!

It has taken hundreds of volunteers to keep the BCC open and operating in the black. We are celebrating volunteers with a Spring lunch and loonie auction. This invitation is open to anyone who volunteers at the BCC or would like to find out more about volunteer opportunities. We would like all present volunteer ambassadors to bring a friend to the lunch and introduce them to our great organization.....it is better to have too many volunteers than not enough.

Other volunteer organizations will have information on volunteer opportunities available.
