

Hello Friends

We are soooo excited to be able to host a Happy Hour! It will be different than we are used to that is for sure, but we are starting to get a little social and that is important. With this Happy Hour comes a few rules to follow and we wanted to give you some information on how the evening will pan out. This is our second event that Peterborough Health is involved with, so they may be coming out to see how we are doing. This is new to them and to us! Okay so here is the plan.....

- This event is outside in Festival Park around the garden area, perhaps think about what footwear you choose.
 - Please bring a lawn chair. If you do not have one, we do have a few patio chairs.
 - Park vehicles in the West Parking lot, as you will be entering around the back of the BCC. We will have a few accessible parking spots. If you need to be able to drive behind the BCC to drop off a guest, just let us know and we can make it happen.
 - Just like stores we have social distancing lines on the tarmac, so as you come in and check in, please stand behind the lines.
 - Once you are checked in, a volunteer will show you to your table. Volunteers will point out, tickets booths, washrooms and one way traffic. Groups have been placed together in their bubble as requested. If you did not request to sit with other people you will be placed at your own table. All groups have a table. Please sit around your table and be conscious of people beside you, keep that 6 foot distance please.
 - The park is split in two. Each side has their own ticket booth and portable toilet with hand washing station.
 - Please do not move your table to another location. We really tried to get everyone in the shade and if it is not shaded when you come, there is an umbrella to help and it will be shaded soon. If needed we will move your table as the sun sets.
 - Once you are at your table and set yourselves up you will need to purchase your alcohol/food tickets. If you are able, send one person up to purchase tickets. (see menu below)
 - Once you have your tickets (CASH ONLY—PLEASE NO LARGE BILLS) (watch the lines for distance), return to your table. All food and beverages will be served to you! How special is that? Each table will be provided with a 1/2 a pool noodle! Hold your pool noodle up and a volunteer will come and see how they can help. You can use your noodle to wave to your neighbours but not to hit your neighbour! Your beverages will be brought to you in a bucket and you can look after pouring them. Your food will be brought to you on a tray and you can distribute to the table. Please leave garbage and empties on your table. Volunteers will collect them the next time they are by. We are trying not to hang around tables.
 - **NEW** On each side of the park you will find a bucket with pool noodles. These are **TALKING NOODLES!** If you want to go say hello to another guest, pick up a **TALKING NOODLE**. Take the **TALKING NOODLE** with you and hold it out at least a half an arms length. This is the six foot social distance that we are required to do. (you do not have to hold the noodle up the whole time, it is a guide) When you are done chatting, take the **TALKING NOODLE** back to where you got it and place it on the used table. We will disinfect! 😊
 - **NEW** We are selling **FIFTY FIFTY** tickets! Purchase your tickets at the **FOOD/BAR TICKET BOOTH**. **You could win half the pot!** Draw will take place at **6PM. Tickets are 3 for \$5**
 - We do not wish groups to stand up and gather. Dancing is not allowed on the floor or table.
 - Smokers will be directed to an area on their side of the park.
 - Because you are in your bubble and can social distance, masks do not need to be worn. BCC volunteers who are serving will be masked!
