

COVID-19 update: Proof of Full Vaccination and Proof of Identity requirement

In alignment with the Re-Opening Ontario Act (ROA) and guidance

As of September 22, 2021, *as mandated by the province*, Ontarians will need to be fully vaccinated (**two doses plus 14 days**), and provide their proof of vaccination along with ID, in order to access certain public settings and facilities.

As a private facility the Buckhorn Community Centre will continue to take every precaution reasonable in the circumstances to protect the health and safety of our staff, volunteers, members and visitors.

In addition to current symptom screening and contact information recording policy and practices at the BCC.....

- **As of Weds. Sept. 22nd the Buckhorn Community Centre will require anyone who enters the facility to provide proof of Full Vaccination.**
 - The negative result of a Covid -19 antigen test will not be accepted as a substitute
- To streamline the process, once proof has been provided a "Vaccinated List" will be used and subsequently individuals will only be asked to verify their identity if a monitor doesn't know them.
- As before **Physical Distancing must be practiced** and **Masks Are Required** to move about inside the facility. Groups may remove their masks once seated at assigned tables with food or drinks.

Exemptions

- Children under 12 years are exempt
- Patrons with a medical exemption are required to present a written document supplied by a formal medical authority, including their complete contact information plus Logo / Letterhead; stating the individual is exempt

for a medical reason and including a timeline. Proper personal identification is also required.

- Contractors, repair workers, inspectors, delivery workers and other short In & Out visitors on specific business NOT entering the facility as patrons, staff, volunteers or members **are exempt**.

Compliance

- Staff will make sure non-compliant individuals understand our policy and it's alignment with the provincial ROA. Admittance will be denied.
- Any issue with enforcement of the policy will be referred to the highest level of Staff onsite. If further discussion fails to achieve a cooperative response or if escalation of any kind, verbal or physical, is expressed then the Staff will call the OPP for assistance. In addition, Staff may choose, at their discretion, to cancel the activity and close the doors.

**THANK YOU for your cooperation and support!!!!
